АР-НУВО

«Ар-нуво» — это стиль, который родился в начале 1980-х годов. Он сочетает в себе элементы классицизма и романтизма. Это стиль, который стремится к идеалу красоты и гармонии. Он характеризуется пышными формами, обильным декором и использованием натуральных материалов. В ар-нуво часто используются шелк, атлас, кружево и мех. Этот стиль стал популярным благодаря своим ярким и выразительным формам.

TRICK 2 DRY SHAMPOO

"I have fairly short, wavy hair but not too much think of anything to do with it." Rhona, 31, hair
The easy way to transform what you have is to give it style, texture, length and add some extra hair color. Hair color
This is great if you're going to go by adding some dry shampoo, which creates a rough, sandy texture and helps hold your style too.

HOW TO DO IT:

1 Flip down hair with a volumizing spray, like **1-800-POURPOSED** Volumizing Cream, \$11.99. Avoid mousse - it can make fine hair even finer, says Jamie.

JOJO'S MAKEUP TIP:

Don't be afraid to use pink correction. The new Tinted Moisturizer SPF 15 is a great one. Use it all over your face and under your eyes. It's also great for under-eye circles. That's all, beauty.

2 Blow-dry using a large, round brush, lifting the hair vertically and shaking the air at the roots to give lots of volume.
3 Use dry shampoo.
4 Wash by hand with shampoo. Use your palms to work and knock your hair into shape, lifting it further.
5 Use your palms and rub it into your roots. Use your hands to push and knock your hair into shape, lifting it further.
6 Magnificently add some texture to your hair. Use a brush to lift the hair. Finish by misting your style with hair spray. It
