# HIGH SCHOOL REUNION

Inspired by a "geeky 1970s American High School yearbook", Toni&Guy's **Carl McCaffrey** and **Nina Beckert** pooled a mix of muted colours, retro waves and mussed up schoolgirl texture to create this quirky, captivating collection that is, quite frankly, way too cool for school.

THE LITTLE BLACK DRESS and  
the classic turtleneck sweater  
are the staples of the wardrobe.  
But this season, designers  
are looking for ways to make  
them more interesting. The  
answer is in the details: a  
pop of color, a new texture,  
or a bold silhouette. Look for  
the season's most interesting  
pieces to be those that take  
the classic and make it  
fresh.

# JUST FOR KICKS

Patterns and plains, brights and neutrals - all take  
gorgeous shape in the season's resort collection.  
Styling by Fabio Cannizzo, photographs by Damian Hoel.
