

Mid Century Modern/LA Vibe E3

Looking to fit the 1970s or mid-century modern trend? Look no further. These home owners have spared no expense to nail the look. Features include a wood panelled wall with open fireplace, shag pile rugs, mid-century furnishings including booth seats and bespoke wall unit with inbuilt record player, brown velour racing car bed, Evil Knieval imagery, a Formula One parlour game, surfboard, staircase, shag pile rugs, red wall-to-wall tiled bathroom and mid-century lighting. The kitchen features a gas hob island, great for a culinary shoot and outdoor area with decking, garden and cement walls. Perfect for look books, editorial and ideal for boys/mens shoots. Available for hourly bookings.
