

Azure House - Esher

This luxurious house is 8,000 sq ft of contemporary, designer-led interiors by a leading UK interior designer, thoughtfully curated throughout the property. Set on a private road just off the A3, the house benefits from secure gated access and off-street parking for up to six cars within the grounds. Arranged over three principal floors plus a self-contained annex, the property features:

- Six generously proportioned bedrooms
- A grand entrance hall with an impressive 15m ceiling and a sweeping statement staircase
- Elegant drawing room with gas fireplace
- Dedicated wine room
- Formal dining room seating 12
- Fully equipped gym

The principal master suite occupies a substantial footprint and includes:

- A spacious master bedroom
- Private sitting room
- Luxurious marble bathroom
