

# Bel Air Surrey

Bel Air Surrey is a spectacular modern Californian style luxury home set in 14 acres of land. It is architecturally designed with a fun, Hollywood-glamour designed interior. It has a mix of all things fabulous and grand. The whole house has floor to ceiling glass and doors. It has an open plan kitchen overlooking a huge pond and large modern firepit with seating zone. There is a snug television area flowing into the dining room and then the stunning formal drawing room and bar. There are five beautiful bedrooms all with ensuite bathrooms. The vibe is laid-back cool with modern mid-century influences all bespoke or sourced from the West Coast of America and Europe. The property also boasts plenty of parking with easy access for both large and smaller shoots.
