

Belvedere- West Sussex

Stunning luxury house with a glorious glass fronted pool with views of the South Downs. It is set on an estate with 30 acres of land. The house offers six luxurious bedrooms, beautifully decorated with classic and contemporary furnishings. The first floor has four large en-suite bedrooms with country views and a twin room with a double aspect. The rooftop suite includes a private terrace, living space, and en-suite. Natural light floods every room through double and triple-aspect windows. The House seamlessly blends eclectic character with modern comforts, featuring curated artworks from old masters to contemporary pieces, ethnographic collections, exterior sculptures, and antique furniture. The property offers versatile spaces with sweeping views of the South Downs. Living & Dining Flooded with natural light, the impeccably decorated interior combines warm earthy tones, vibrant accents, and stunning antique furnishings. Large sofas surround open fireplaces, while the country-style kitchen boasts high spec modern facilities. There is an option to shoot and stay, and there is a cottage and barn also on the estate which can be used for shooting and / or accommodation.
