

# Casa Solara - Ibiza

Casa Solara sits high on a wooded hillside in an area of highly protected land, and has breathtaking, panoramic views of Ibiza Old Town, Playa den Bossa, the ancient Salinas salt flats and across the Mediterranean to the neighbouring island of Formentera. At night, it feels like a Beverly Hills mansion looking over LA. The characteristics of the house, and setting, are a perfect mix of Ibiza meets the Hollywood Hills. Just 15 minutes from the airport, there are 8 bedrooms available for the option to shoot and stay.
