

Cullingworth Road NW10

A film friendly location house in North West London with a great handmade kitchen. A traditional thirties semi detached from the front with a knocked through family room with fireplace. To the rear an open plan extension with great light and interesting features. The open plan kitchen, lounge and dining room has a large island unit and bi fold doors leading out to the garden. Concrete floor. Outside is a decked area with lawn beyond and a summer house. There are four bedrooms to the upper floors and family bathroom. The master bedroom has an ensuite, bi-fold doors looking out to the garden and interesting parquet wall as a feature. Drive space for one car and off street parking. Permits available for a small cost.
