

Fitness Studio NW10

Renovated in a loft style making for a unique and individual setting. Located directly off the main road within a quiet mews. 894 sq ft – Generous ceiling height + fantastic natural light, the space provides a versatile backdrop for location shoots + creative projects. Alongside this space are 2 other large studio settings which are separate to the main gym. There's another room at your disposal to use as a changing area, for hair + make up or to simply relax between takes. Clients include established companies such as Gymshark + HoMedics. The friendly and helpful team are there to assist at all times, they also have a good knowledge of the outside areas. Tea + Coffee provided.
