

# Georgian House W1

This stunning Georgian property offers a spacious and sun drenched location for film and photography crews. PLEASE NOTE : the main rooms in this propeerty - currently painted green - are now white. Features open fireplaces, sandstone staircase, ornate pressed metal ceilings, wooden flooring, Persian rugs, antique furnishings, a library room, traditional painted portraiture, fabulous exteriors, a basement filing room and floor to ceiling windows offering an abundance of natural light. Perfect location for editorial, evening wear, bridal, portraiture, and English heritage shoots. Please note: this property is continually updated so a visit is recommended prior to shooting.
