

Home and Country Townhouse - Cotswolds

A beautifully renovated Georgian Townhouse on the main square of the picturesque village of Bampton (Downtown Abbey set up) -All original features have been kept and it is now a functional family home. The house has a hallway, fully equipped kitchen, guest wc, dining room, sitting room, large bathroom/shower room, two large bedrooms and a smaller kid's bedroom. The sitting room, dining room and the two large bedrooms have working fireplaces. A little garden is at the back with a small out building. Plenty of free parking is available. Close to many mainline stations.
