

Ice Tank WC2

Ice Tank is a unique, fully customisable venue offered for an exclusive hire and located on a quiet street in Central London, just by Covent Garden. The light and airy space boasts a prime location between Tottenham Court Road, Holborn, and Covent Garden. The Scandinavian architecture and contemporary interiors make Ice Tank the ideal venue for a variety of events including exclusive parties, high-end corporate events, fashion shows, product launches and film & photography productions. The venue comprises 171sqm of space, covering two levels, with a street level access into the main space and the largest infinity cove in Central London. The space can be transformed into any theme imaginable. 2500 sq ft space spread over two levels with 12 x 12ft door access into the main area of the studio. Amenities include 6 foot wide street level entry doors, the largest infinity cove in London, wi-fi, 89 inch smart TV, two plasma screens, an HD projector and even a fire place. The professional HD/AV equipment is ideal for film shows and presentations or a bespoke way to brand the space. The ground floor has a purpose built luxury kitchen with a gigantic skylight and modern appliances throughout. The lower ground floor has a cloak room, 2 bathrooms and a 2nd smaller kitchen with a separate space for caterers to set up. The studio boasts 20ft high ceiling throughout the ground floor and large wall-to-floor glass windows for ample natural lighting; this offers an uncompromising daylight that illuminates the entire space, ideal for both photography and film.
