

Japanese Lux - St Albans

This extraordinary house has been designed beautifully with a flowing Japanese style. The site is surrounded by nature, with a sedum roof and full length glazing throughout. It blends beautifully into the surroundings and allows for the flow of natural light inside the property. There are 5 bedrooms, 5 bathrooms, a cinema room and an office/meeting room. The grounds include a beautiful riverside walk. A large garage and plenty of parking make this an ideal property for your film and photo shoots.

020 34901155. So all windows have been designed beautifully with a flowing Japanese style. The site is surrounded by nature, with a sedum roof and full length glazing throughout it.
