

Lotus Studios - E16

A large, light-filled open studio with high ceilings, lots of natural light, and a calming, plant-filled aesthetic. Features include dimmable lighting, a Bose sound system, cork flooring, and a clean, neutral backdrop with warm, earthy tones throughout and lots of plants. On the first floor: Industrial Vibe: A loft-style creative studio with an industrial aesthetic with now cream draping added to all walls, ideal for more editorial or lifestyle shoots. Includes a kitchenette, dining area, and exposed interiors. Capacity up to 50 standing.
