

Millfield House E5

Millfield House is beautiful Victorian home with modern extension, large spacious rooms and great natural light. There are four bedrooms, two bathrooms, a large rear garden, with pleasing soft colours and features throughout. The lower ground floor is a large open space with lime washed walls, areas of paneling, a polished concrete floor and zoned areas for living (2 areas), kitchen, and dining. Full width crittall doors open out to the patio area and lawn beyond. A well placed skylight drenches the kitchen and dining areas in natural light. The raised ground floor contains formal sitting rooms, knocked through to create a large through room with original features retained, including wall paneling, cornicing, ceiling rose, shutters and fireplaces. The first floor has master bedroom with en-suite, and family bathroom, with lime washed walls, organic handmade tiles, a roll top bath and freestanding shower. There is a second bedroom also on this level. There are also two children's rooms on the 2nd floor. The large garden includes a children's play area and trampoline as well as two terraces. There are two access points to the property and parking is available on the road.
