

Music Studios W4

State of the art music studios, set within an industrial building; brimming with character and stunning features - over head walk ways, original stair cases and huge arched windows that fill the main foyer with natural light. Access is designed with large equipment in mind and has double door access with lift. There is ample space for hair and make-up, a private lounge and dining/kitchen area or public cafe perfect for crew lunches. Please enquire re rates and recces as there are a variety of spaces to use with differing rates. Ideal for music videos, editorial, musician portraits, music events and music industry related launches.
