

Skylight Foundry SW18

Skylight Foundry blends industrial character with versatile open space, perfect for filming, photography, and events. Exposed brick walls, steel beams, and soaring ceilings create a dramatic backdrop rich in texture and atmosphere. Its flexible layout accommodates everything from weddings and receptions to large-scale productions. There is drive-in access and Blackout shutters on the ground floor. Power: 1 x 32A 3phase, 1 x 16A 3 phase, ample 13A single phase Parking: 6 to 8 spaces
