

Distillery E8

From the cobblestone lane, you won't miss the grand entrance to this beautiful new 2600 sq. ft. distillery under the arches in London's east end. Featuring a stunning 650L still visual focal point with lighting installation, high ceiling, distillery bar and washroom facilities. Natural light transcends through floor to ceiling windows and by night glittering house lighting compliments a sparkling movement of relaxed local activity. The Distillery offers a versatile canvas to personalise your event or creative shoot in uniquely inspiring and versatile surroundings.
