

Troxy E1

Whether it's a glitzy awards ceremony, an immersive product launch, film screening, photographic shoot or live concert, Troxy is the perfect location. Troxy is a Grade 2-listed Art Deco venue which has been converted for modern use. It has a capacity of 3,100. The team are renowned for their flexibility, whether it be providing an unusual solution to your event brief, enabling you to use all the in-house production elements in the building or making sure you've got all the travel and hotel information you want. You'll be allocated an events manager who specialises in your kind of event and they will be your contact for all your planning on the night, alongside our operations team. The proprietors have sourced some of the most experienced and talented people in the UK. Dimensions (length, width, height): 42m x 30m narrowing to 13m a stage end. Height of ceiling above stage (from floor) is 14m and under the Circle balcony 3.2m. Square Meters: Approx 1050m², complete with a Wurlitzer organ.
