

Water Wonderland - PE19

A great outdoor and versatile film location for feature films, TV, commercials, music videos and photographic shoots. With a selection of lakes, and a field for pop up sets, or use within its natural entirety. Regular water tests are carried out to ensure the water meets all environmental and health standards enabling water based filming. Well located just off the A1, Little Paxton – 1 hour north of London, up the road from ‘The Cardington Studios’ off the A421, and 35 minutes from Cambridge. The site we has a small café, basic changing room facilities, toilets, parking, 5 caravan plots available to rent.
